

# Homesites at Lake Grant

The homesites that encircle The Club at Crested Butte's private Lake Grant enjoy a variety of hilltop views. Some homesites overlook the sparkling 20-acre lake. All sites have views looking over the golf course and the Slate River, toward snowcapped mountains.

Build your dream home on a homesite at The Club at Crested Butte. Design Guidelines have been carefully drafted to encourage diversity while preserving the natural beauty of this mountain setting, and reflecting its rustic Western architecture. Building envelopes on each site will afford homeowners the best possible views and maximize space between residences.

Purchasers are invited to join the Club at Crested Butte and the proposed Alpine Club for access to an impressive combination of golf and ski amenities you won't find at any other community in Crested Butte.
