The annual, special and default assessments, together with interest, costs and reasonable attorneys' fees, shall be a charge and continuing lien upon the Lot or land against which each such assessment is made until paid. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of such Lot or land at the time when the assessment became due.

All such assessments shall be adopted and assessed in the manner set forth in this Article 9.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used for the following:

2.1 The improvement, maintenance and repair of and snow removal from any road serving the Property.

2.2 The maintenance, repair or other improvement required to be made by any Owner to any Improvement on any Lot which the Owner fails to do.

2.3 The operation of the Association in the performance of its duties.

2.4 Any other purpose approved by a majority vote of the members of the Association or by a two-thirds vote of the Board.

Section 3. Types of Assessments. The Board of Directors shall have the authority to levy the following types of assessments for the Association:

3.1 Regular Assessments. Assessments for the business and operation of the Association pertaining to all members of the Association and to be apportioned and allocated equally among all Lots.

3.2 Special Assessments. Special assessments for the purpose of construction, improvement, repair, replacement, enlargement or other special purposes pertaining to a specific or special matter. Special assessments shall be apportioned and allocated equally among all Lots, unless such special assessment benefits substantially fewer than all Lots, in which event such special assessment shall be levied against only the Lots so benefited. The Board shall have reasonable discretion in apportioning responsibility to pay special assessments.

3.3 Road Assessments. Assessments for the purpose of construction, improvement, repair, replacement of and/or snow removal from roads serving the Property.

Section 4. Regular Assessments. Prior to the beginning of each fiscal year of the Association, the Board of Directors shall prepare and adopt a budget and determine, levy and assess the Association's regular and road assessments for the following year.

Notice of the amount and due dates for such special assessments shall be sent to each owner at least thirty days prior to the due date.

Section 6. Assessment for Each Lot. All regular assessments shall be apportioned and allocated equally among all Lots. All special assessments shall be apportioned and allocated equally among all Lots unless such special assessment benefits substantially fewer than all Lots, in which event such special assessment shall be levied against only the Lots so benefited. All road assessments shall be apportioned equally among all Lots and (on a per homesite basis) other land whose Owners have the right to use the roads serving the Property.

Section 7. Default Assessments. Any expense of the Association which is the obligation of an Owner or which is incurred by the Association on behalf of or because of an Owner, shall be a default assessment and shall become a lien against such Owner's Lot and may thereafter be foreclosed or otherwise collected as provided herein. Notice of the amount and due date of such default assessment shall be sent to the Owner subject to such assessment at least thirty days prior to the due date.

Section 8. Nonpayment of Assessments. Any assessment, whether regular, special, road or default assessment, which is not paid within thirty days of its due date shall be deemed delinquent. 8.4 Bring an action against any Owner personally obligated to pay the delinquent assessment.

8.5 File a Statement of Lien with respect to the Lot and foreclose such lien in the manner hereafter set forth. The Association may file a Statement of Lien by recording with the Clerk and Recorder of Gunnison County, Colorado, a written statement with respect to the Lot, setting forth the name of the Owner, the legal description of the Lot, the name of the Association and the amount of the delinquent assessments then owing, which Statement shall be signed and acknowledged by the President, Vice President, Secretary, attorney, manager or other representative of the Association and which shall be sent by certified mail, postage prepaid, to the Owner of the Lot at such address as the Association may have in its records as to the Owner. Ten days following the mailing of such Notice, the Association may proceed to record and foreclose the Statement of Lien in the same manner as provided for the foreclosure of mortgages under the statutes of the State of Colorado. Such Statement of Lien shall secure all assessments accruing or assessed subsequent to the date of recording of such Statement of Lien until the same has been satisfied and released, together with the Association's attorneys' fees and costs incurred in the preparation and

8.7 The provisions of this Section 8 shall also apply to the land owned by any Associate Member of the Association.

Section 9. Successor's Liability for Assessment. In addition to the personal obligation of each Owner of a Lot to pay all assessments and the Association's lien on a Lot for such assessments, all successors to the ownership of a Lot shall be jointly and severally liable with the prior Owner for any and all unpaid assessments, interest, costs, expenses and attorneys' fees against such Lot.
